The Jewel of the Village

The Boxwood offers 2,243 square feet of living space and a 556-square-foot two-car garage with carriage-style doors. Highlights include a breathtaking great room, open kitchen overlooking a charming dining area, and a fabulous master suite. An optional bright sunroom leads to the back patio. Upstairs, you may choose to finish extra space as a fourth bedroom or a hideaway den. The second floor loft is a perfect getaway spot.

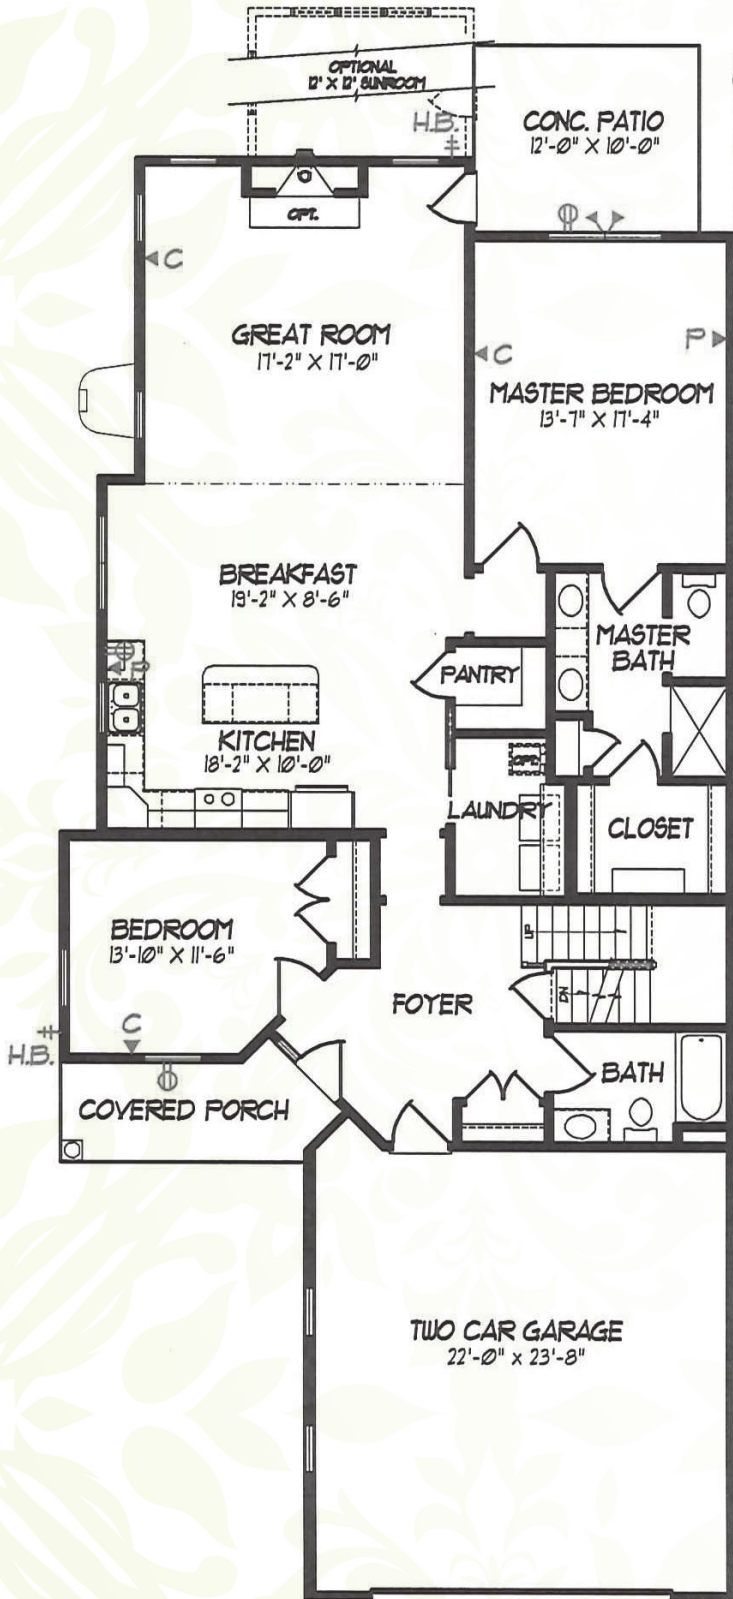

A complimentary two-hour consultation with an interior designer is included with every home.
